WASHINGTON GIRLS' DRESS COST SIXTY CENTS!

"It's not what you wear, but the way you wear it" and if you don't believe it just give Miss Hazel Proud of Washington, D. C., the "once over."

It's only a sixty-cent creation that Miss Proud wears when she comes to work every morning in the office of Miss Edith C. Strauss, director of women's activities in the campaign against the high cost of living in the Department of Justice. It's not sixty cents worth of silk or satin, either, although it covers all of the "requirements."

It's sixty cents worth of sugar bags. To Miss Proud goes the honor of wearing the dress well. To Miss Doris Peterson, of Bellington,

Wash., goes the glory for making a dress for "four bits and one thin dime" in these days of high prices. The dress was made from ordinary sugar sacks, or maybe it isn't possible for a sugar sack to be ordinary considering the scarcity and ascending value of its contents.

Anyway, the dress is made of sugar sacks, and is trimmed with crocheted cotton in pink and green shades. It took Miss Peterson just two hours to make the dress. But it took her longer than that to convince Miss Strauss that it cost but sixty cents.

"It just shows what one can do when one tries," said Miss Strauss. "Accomplishments like this, if more widely practiced, would help to bring down the cost of wearing apparel."

ONLY FEW DOMESTIC SERVANTS AMONG IMMIGRANTS

The number of immigrants arriving at New York is increasing week by week, but the superintendent of the immigration station on Ellis Island says that there are few domestic servants among them.

Housekeepers who have waited hopefully for immigration to begin again to renew the sadly depleted supply of maids will be disappointed when they learn that the Irish and Scandinavian girls in the steerage are planning to work in factories.

PONZI'S SCHEME GATHERS HUNDREDS IN NET.

BOSTON, Aug. 26.—A list of investors in Charles Ponzi's postal coupon scheme—persons who trusted in the ability of the overnight financier to make riches for them in a month or two—looked like a cross section of the community when it was printed yesterday.

All walks of life were there—men and women of the professions, of business and of labor.

It is estimated 30,000 in all placed their money in the scheme which now is in receivership, and of these about half withdrew it with or without the 50 per cent interest which Ponzi paid before the crash. The others are relying on Federal Receivers to recover what is left.

The list runs the gamut from Judge to office boy. Former liquor dealers turned to Ponzi in the hope of recouping their broken fortunes; a wealthy spinster was there, a building contractor, business men of high standing, a sporting promoter, soldiers, real estate dealers, manufacturers, police inspectors and the ordinary laborer in large numbers.

The appearance of the list yesterday brought denials from many of those whose names appeared.

Some of those named, however, said they had regained their investments with profits of hundreds or thousands of dollars.

The investments noted ranged from \$25 to \$53,833, the latter being attributed to a man associated with Ponzi as an agent.

Denial that Ponzi is bankrupt, was made in a petition filed in the Federal District Court by Daniel V. Isaacs, his counsel. The petition demands that a trial by jury be ordered to determine the issue.

The petition will be assigned for a hearing, but action on it if the Courts grants the petition will be delayed because the Federal Jury will not come in until next month.

Meantime, the receivers will pursue their efforts to marshal Ponzi's assets, of which about \$1,000,000 worth was turned over to them by him Saturday to meet claims which a Federal Auditor estimates at \$7,000,000.

WITNESS AFTER WITNESS IN PARIS

Such Evidence Our Readers Cannot Dispute.

As we take up the NEWS week by week, we are struck by the hearty, unmistakable way in which witness after witness speaks out as Mr. Rankin does here. If these people were strangers living miles away, we might take little notice of them. But they are not. They are our neighbors, living among us. Their word is too easily proven to admit of any doubt. They speak out in the hope that their experience may be a guide to others.

Floyd H. Rankin, grocer, Lileston avenue and Lucas street, says: "I have used Doan's Kidney Pills off and on for years and have been greatly benefited by them. At times I have suffered severely with kidney complaint. My back often pained and was lame most all the time. The kidney secretions were too frequent in passage and greatly annoyed me. Whenever I have been this way, I have always found that a box of Doan's Kidney Pills has never failed to cure me of the attack in short order."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Rankin had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

THE REPUBLICAN CAMPAIGN TO OPEN SEPT. 15.

Senator Hiram Johnson may stump Kentucky this fall in behalf of the Republican ticket. James F. Ramey, of Louisville, who has gone to Los Angeles, will extend a verbal invitation to him in behalf of Kentucky Republicans.

Mr. Ramey, who is to head the Republican Speakers' Bureau, said that the speaking campaign will not start before September 15.

"Of course, a few scattering speeches may be made before then," he said, "but I don't look for the active speaking campaign to begin before the middle of next month."

As State Commissioner of Insurance, Mr. Ramey is going to attend the annual meeting of the National Association of Insurance Commissioners in Los Angeles. He is being accompanied by Mrs. Ramey and Dr. Ben L. Bruner, Louisville.

STRANGE FREAK CAUSED BY TORNADO.

Two checks, calling for an aggregate of \$450, and a photograph of two women, blown from a point in Ohio, 100 miles away, in a tornado last March, have been found near the Monroe-Wayne county line near Monroe, Mich., by W. M. Maxwell and John Bingle. The elevator at Paulding, O., from which the picture and checks were blown, was destroyed by the tornado, and three children and the elevator proprietor were killed.

Furthermore, if a young man were as prosperous after he married as while he is engaged there would be less lottery and more millinery in marriage.

OH, DEAR! MY BACK!

Merciful Heavens, how my back hurts in the morning!" It's all due to an over-abundance of that poison called uric acid. The kidneys are not able to get rid of it. Such conditions you can readily overcome, and prolong life by taking "Anuric" (anti-uric-acid). This can be obtained at almost any drug store, in tablet form.

When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or twinges and pains of lumbago, rheumatism or gout; or sleep is disturbed two or three times a night, get Dr. Pierce's Anuric. It will put new life into your kidneys and your entire system. Send Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., ten cents for trial package.

MEMPHIS, TENN.—"Dr. Pierce's Anuric is the best medicine for the kidneys and for backache that I have ever taken. For some time my kidneys have been giving me a lot of trouble. I suffered with backaches and rheumatism in my joints and limbs causing me a lot of misery. On learning of the 'Anuric Tablets' I began their use and they have given me real relief when all other kidney medicines failed to help. I am glad to recommend 'Anuric' to others who suffer with this ailment."—MRS. E. C. WILSON, 620 N. Sixth St.

TWO HUNDRED DOLLAR FUNERAL FOR CANARY.

The scriptural assurance that sparrows shall not fall unnoticed was given tangible application to a pet canary bird at Newark, N. J.

Jimmy, the little songster, choked to death on a watermelon seed, and so grief-stricken was his owner, Emidio Russo-manno, a 65-year-old cobbler, that friends contributed \$200 for a funeral, including a hearse, five mourners' coaches and a fifteen-piece band.

"He sang, ah, so sweet, like Caruso," sobbed the cobbler as the little plush-lined casket, probably twelve inches, was lowered into the grave. He plans to erect a monument later.

Philosophy of a Cipher.

Consider the cipher. It amounts to nothing in itself, but when put at work with others behind a good strong figure it adds wonderfully to the value of the group. But if a cipher puts on airs and gets out in front of the procession, it becomes valueless again. Men might take a lesson and learn that their value lasts only as long as they stay on the job.

Ford
THE UNIVERSAL CAR

The Ford car can well be called the "peoples car," because there are more than 3,000,000 of them in daily operation. That is about four to one of the nearest follower in the motor car industry. This would not be so if the Ford car had not for sixteen years proven its superiority in service, in durability, and in the low cost for operation and maintenance; this would not be so if the Ford car was not so easy to understand, so simple in construction that anybody and everybody can safely drive it.
